

Patent application

Department of Patents, Designs and Trademarks (DPDT), Ministry of Industries, Bangladesh.

The steps for the patent application procedure are as follows:

Step 1: Visit the official website of the Ministry of Industries, Bangladesh

Website: <http://moind.gov.bd/>

Step 2: Navigate to the affiliated offices section

From the Ministry of Industries website, go to the "**Affiliated Offices**" section. There you will find the **Department of Patents, Designs and Trademarks (DPDT)**.

DPDT Official Website: <https://dpdt.gov.bd/>

Step 3: Access the online application portal

After entering the DPDT website:

- Go to the "**More**" option.
- Select "**Online Application**".
- You will be redirected to the online patent application portal.

Step 4: Registration and submission of patent application

- Complete the registration process to create a user ID and password.
- Log in using the registered credentials.
- Select "**New Application**".
- Fill up the required information and upload the necessary documents.
- Submit the application through the online system.

For assistance and to expedite the procedure, you may contact:
